

QUALITY POLICY

It's the intention of Gammatec NDT Supplies SOC Ltd to ensure a safe work environment for all participants involved in the business of NDT, while at the same time providing a suitable return on investment for all stakeholders including the shareholders, staff community and environment of the company.

How will we achieve the above:

- Total commitment to continued improvement & maintenance of our Quality Management system, Corporate Image, Reputation, Staff Equality and Client Relations.
- Establish Measurable objectives that are continuously reviewed.
- Policies and Objectives that are communicated throughout all levels of the Organization.
- Develop staff competencies, creativity, empowerment and accountability through appropriate development programs and show strong management involvement and commitment.
- Continuously improving standards and processes to reduce waste and inefficiency.

Gammatec NDT Supplies SOC Ltd strives to be the best provider of NDT equipment and services in the industry. Through the use of these guiding principles, everyone in Gammatec NDT Supplies SOC Ltd is accountable to ensure customer satisfaction by meeting or exceeding the customer's needs and expectations with best-in-class solutions and services. Our goal is 100% customer satisfaction, 100% of the time.
