

Privacy Policy

1. Overview

GammaTec NDT Supplies SOC Ltd, hereafter referred to as (“GammaTec NDT Supplies”, “We”, “Us”, or “Our”) recognise the need for protection and management of your personal information. We have therefore adopted this Privacy Statement to assist you in understanding what information We collect and how that information is used and shared. This Privacy Statement applies to the information We collect when you access any GammaTec NDT Supplies website, when you purchase or use a GammaTec NDT Supplies product, or when you provide any non-public information to us.

Before you access the GammaTec NDT Supplies website, www.gammatecsa.com, purchase or use GammaTec NDT Supplies products or services, or provide any non-public information to Us, you should review this Privacy Statement to understand Our information collection and use practices.

2. Information We Collect

We collect certain categories of information about you and the device that you are using, particularly when you visit our websites but also when you use or purchase our products or when you provide us information to deliver newsletters and other communications to you. In particular:

Contact Information: Contact information is information or data that can be used to identify or contact a specific individual. For example, when you access Our websites, We ask you to provide certain contact information when you create an account, such as your name, address, phone number, e-mail address, user IDs and passwords, contact preferences and business type. If you do not wish to provide the information requested, you may not be able to proceed with the activity or receive the benefit for which the personal information is being requested.

Payment Information: If you purchase a product or service from GammaTec NDT Supplies, you will need to provide us with payment information. This may include billing and other transaction information, credit card number, or other financial information that we can use to ensure proper payment for the product or service you are purchasing.

Device Information: As is true of most websites, We gather certain information automatically and store it in log files. This information may include internet protocol (IP) addresses, browser type, Internet service provider (ISP), referring/exit pages, operating system, date/time stamp, and/or clickstream data. We may combine this automatically collected log information with other information we collect about you.

Tracking and Location Information: We may collect and/or track certain information that is derived from the use of our products such as usage patterns, travel patterns, web site page views and traffic patterns. We may use this tracking and location information for statistical purposes to improve our products and services and to help users manage their environment and infrastructure more efficiently.

Mobile Device Information: When you access some of Our products or when Our products are deployed to mobile or stationary devices, Our servers automatically record information that may include: the MAC (Media Access Controller) addresses from the network card in or used with your devices; web requests,

Internet Protocol addresses, phone numbers, browser types, browser languages, the date and time of request; and other information regarding internet connection activities. In addition, the information collected and tracked depends upon the system configurations chosen by the administrator and the options enabled by the users and may include device location, device identifier and device user name; status of the mobile device SIM card; MAC addresses and device serial numbers; phone number, signal strength, cell tower, carrier, IMEI#, and other WWAN attributes; first and last name and email address of device user; device check-out/check-in; who uses which device as well as the physical status of the device at the start of a shift and then again at the end of a shift; applications loaded on the device (excluding content); real-time GPS location tracking and mapping, including analysis of location data and history; or mobile device remote control, including screen capture. Individuals are notified that these functions may occur but may not be aware when these functions are occurring in real time.

GammaTec NDT Supplies Forum: If you use Our community forum on Our web site (if and when active), you should be aware that any personally identifiable information you submit there can be read, collected, or used by other users of these forums, and could be used to send you unsolicited messages. We are not responsible for the personally identifiable information you choose to submit in these forums. Although We are not responsible for the personally identifiable information you choose to submit via these forums, We will use reasonable efforts to remove that information from our community forum, if you contact us at <https://gammatecsa.com/information-officer-portal/>

3. Cookies and Similar Technologies

“Cookies” are small text files that are placed on your computer, smartphone or other device when you visit a website. Like many other website operators, GammaTec NDT Supplies works with third party service providers and partners (including marketing partners, customer service providers, and others) to use cookies, beacons, and similar technology for a number of purposes. For example, these technologies are used in:

Analysing site usage trends;

Administering the site;

Tracking users’ movements around the site;

Gathering demographic information about Our user base as a whole;

Identifying users to remember users’ settings (e.g. language preference);

For authentication and to help you sign up for Our services.

Users can control the use of cookies at the individual browser level. Each browser is different, so check the “Help” menu of your browser to learn how to change your cookie preferences. If you reject cookies, you may still use our site, but your ability to use some features or areas of our site may be limited.

4. How We Use the Information We Collect

We use the information We collect to provide and enhance Our products and services, to operate Our business (e.g. billing and other accounting purposes; establishing accounts and contacting you regarding important information about your account, including notices and updates), for editorial and feedback purposes, for marketing and promotional purposes (including providing your contact information to third parties with whom GammaTec NDT Supplies has a relationship), for statistical analysis, for product development, to contact you regarding our products and services, to monitor and maintain our network, and to address issues that may arise concerning claims of abuse or inappropriate activity. For example, We may use the information We collect for the following purposes:

Displaying personalised content and advertising;

Informing you of other products or services offered by Us;

Sending you relevant survey invitations;

Providing you with additional materials regarding Our products and services or to connect you with a GammaTec NDT Supplies representative;

Responding directly to your questions, comments, or requests for support;

Analysing site usage to improve and customise Our web sites and products and service offerings;

Improving Our marketing and promotional efforts; and

Enforcing Our agreements with you.

Some of the information We collect allows Us to differentiate users on Our network, and in some cases, We act as a pass-through for certain pieces of information to obtain authentication for Internet access. We may compile and otherwise use for any purpose any usage data or other data in connection with our providing of products and services to You.

If our use of your data is governed by the European Union’s General Data Protection Regulation (“GDPR”), the California Consumer Privacy Act (“CCPA”) or under other similar privacy regulations you should know that we rely on the following legal grounds to process your personal information:

Performance of a contract – To the extent you have purchased a product or service from GammaTec NDT Supplies, we may need to collect and use your personal information to perform the services which you have purchased. For example, we may use your personal information to respond to requests you make via our website and provide you with such services.

Compliance with law – In certain circumstances we may be required to process your data to comply with legal obligations to which GammaTec NDT Supplies is subject.

Consent – Some of the personal information We collect is provided by you voluntarily, for example when you sign up to join a mailing list or register for an event and is therefore collected and used with your permission. To withdraw your consent to such use, you can contact us at <https://gammatecsa.com/information-officer-portal/>

Legitimate interests – We may use your personal information for our legitimate interests, such as to improve our products and services and the content on GammaTec NDT Supplies websites. We may also use your contact information to keep you and others who have provided us with their contact information up to date on recent product and service developments. If you wish us to stop using your contact information in this manner, you can contact us at <https://gammatecsa.com/information-officer-portal/>

5. How We Share Information We May Collect

We occasionally hire other companies to assist Us in providing products or services, handling the processing and delivery of mailings, providing customer support, hosting websites, customer billing, processing transactions, or performing statistical analysis of our services. Those companies will be permitted to obtain only the information they need to deliver the service.

We may disclose any information We collect from you if We believe such action is necessary to:

- (a) comply with any law, judicial proceeding, government request, court order, legal process, rule or regulation or any process served on Us;
- (b) protect and defend the rights or property of GammaTec NDT Supplies. (including the enforcement of Our agreements and investigation of potential violations thereof);
- (c) protect your safety or the safety of others;
- (d) detect, prevent, or otherwise address fraud, security or technical issues; or
- (e) act in urgent circumstances or emergencies. If We are acquired by or merged with a third party, you will be notified via email and/or a prominent notice on our website of any change in ownership, uses of your personal information, and choices you may have regarding your personal information. We reserve the right to transfer the personal information We have collected as part of that transaction or proposed transaction, provided that such third party agrees to maintain procedures no less protective than those found in our Privacy Statement.

6. Accessing And Changing Your Personal Information

Depending on the relevant jurisdiction, you may have certain rights granted to you by law with respect to the personal information GammaTec NDT Supplies and others have collected about you. For example, if the GDPR or CCPA applies to the data We have collected about you, you have the right to access and correct data We have about you, to object to the processing of data, and to request that any information we have about you be erased.

You may request to exercise these rights by managing your account through the online portal or by emailing our data privacy team at <https://gammatecsa.com/information-officer-portal/>. We will respond to your request within a reasonable timeframe, but no later than one month after you submit the request unless applicable law requires otherwise.

To protect your privacy and security, we may require steps to verify your identity, such as a password

and user ID, before granting access to your data.

7. Third Party Sites and Services

Related offerings with links from GammaTec NDT Supplies websites have their own privacy policies that can be reviewed by clicking on the corresponding links within each respective website. All GammaTec NDT Supplies partners are encouraged to participate in industry privacy initiatives and to take a responsible attitude towards consumer privacy.

However, since we do not have direct control over the policies or practices of participating third parties, we are not responsible for the privacy practices or content of those sites. We recommend and encourage that you always review the privacy policies of those third parties before you provide any personal information or complete any transaction with such parties.

Our web site may also include social media features, such as the Facebook “Like” button and widgets, such as the “Share this” button or interactive mini programs that run on our site. These features may collect your IP address, which page you are visiting on our site, and may set a cookie to enable the feature to function properly. Social media features and widgets are either hosted by a third party or hosted directly on our web site, therefore your interactions with these features are governed by the privacy statement of those third parties.

8. Collection and Use of Children’s Personal Information

GammaTec NDT Supplies does not knowingly collect or use personal information from children under the age of 18, or equivalent minimum age in the respective jurisdiction. If GammaTec NDT Supplies learns that we have personal information on a child under the age of 18, or equivalent minimum age depending on jurisdiction, we will take steps to delete that information from our systems.

9. Security

GammaTec NDT Supplies takes information security seriously and uses reasonable measures to protect your information from unauthorized access. If and when you place orders on our websites, all of your order information, including your credit card number and delivery address, is transmitted through the Internet. We use a variety of security technologies depending on the situation to help protect your information from unauthorized access, use, or disclosure, such as physical access controls, TLS, Internet firewalls, and network monitoring. However, no security system is 100% secure, and therefore we cannot guarantee the security of your information or assume liability for improper access to it. If you use a password to help protect your information, it is your responsibility to keep your password confidential, change the password frequently and use a strong password. We strongly recommend that you do not share this password with anyone.

10. Data Retention

We will retain your information for as long as your account is active or as needed to provide you services. If you wish to cancel your account or request that we no longer use your information to

provide you services, contact us at <https://gammatecsa.com/information-officer-portal/>. We will retain and use your information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements. We retain information for as long as necessary, unless otherwise required such as the request for removal/destruction of your personal information.

11. Communication Preferences

You can stop delivery of promotional e-mail or other GammaTec NDT Supplies communications by contacting GammaTec NDT Supplies at <https://gammatecsa.com/information-officer-portal/>. Additionally, when you purchase products or services from Us, We may deliver non-promotional communications related to those products or services which may not be canceled unless you cease use of the product or service.

12. Changes to this Statement

We reserve the right to modify this Privacy Statement at any time, so please review it frequently. If We make material changes to this Statement, We will notify you here, by email, or by means of a notice on Our home page prior to the change becoming effective. Your continued use of GammaTec NDT Supplies' products, services or websites or communication with GammaTec NDT Supplies constitutes your agreement to this Privacy Statement and any updates.

13. Contacting Us

If you have questions or concerns, you should first contact the GammaTec NDT Supplies Privacy Administrator at: <https://gammatecsa.com/information-officer-portal/>;
